# - DAY ONE -COUNTY ANTRIM - THE CAUSEWAY COAST

Arrive at the private farm of your North Coast hosts. After a stable tour, head outdoors for a brief riding assessment then head out to the countryside high in the Antrim hills!

Today's trek crosses verdant pasturelands before climbing up onto the moorland above the farm. You'll get the chance to stretch your legs as they dismount to lead the horses across heather-blanketed fields before remounting and connecting to a riding trail that will lead you to the summit called "Croaghan". With a 360-degree panorama, the view from the summit is widely regarded as one of the best views in Northern Ireland.

From the Croaghan, views include the famed Glens of Antrim, Scotland's Ayrshire Coast, Mull of Kintyre, Scottish Highlands and the Western Isles.

You will enjoy a picnic/afternoon tea at the farm!

Overnight: North Coast B&B

### - DAY TWO -

### BEACHES, MUSSENDEN TEMPLE, BINEVENAGH

Today's ride begins at Castlerock Beach before heading to the white sands of Downhill & Benone Beach. With a magnificent mountain backdrop, cliff scenery, and views across to Scotland & County Donegal, it is the perfect setting for a swift canter across miles of flat open beach towards Mussenden Temple, regally perched above the mighty Atlantic.

A short trek from Downhill Beach leads to Downhill forest and onwards towards picturesque Karn Falls. Deeper through the forest arrive at St. Mary's Church. Built in 1855, St. Mary's Church is steeped in rich history and legend.

After lunch enjoy a guided driving tour of this beautiful region, beginning with Mussendun Temple and St. Aidan's church. Nestled in an ancient hazel wood underneath the towering misty slopes & steep cliffs of Binevenagh Mountain, St. Aidan's Church is the site of a famous Holy Well and the burial site of St. Colombus. It is said that soil from Saint Colombus' grave has magical healing properties.

Overnight: North Coast B&B

# - DAY THREE -Whiterocks beach, dunluce castle, giants causeway

Today's ride begins at Whiterocks beach, named after the white chalk cliffs and caverns that flank this picturesque beach. The west end of the beach is adjacent to the seaside town of Portrush and backs up to the grassy links of the world-famous Royal Portrush Golf Course. Whiterocks beach looks out over the Skerries (a small group of islands off the coast of Portrush) and iconic Dunluce Castle, Donegal and the Western Isles of Scotland.

From Portrush, ride to iconic Dunluce Castle, a former medieval castle perched on the edge of the Atlantic. Enjoy refreshments and explore the ruins before heading towards the tiny harbor town of Portballintrae. The day ends at the UNESCO world- heritage site, The Giants Causeway.

Overnight: North Coast B&B

# - DAY FOUR -Whitepark bay beach, ballintoy

Today's ride begins at Whitepark Bay, located near the picturesque village of Ballintoy. With sand so pure it shines for miles, it's the perfect backdrop for a morning on the beach! If you're lucky the famous "Sunbathing Cattle" will be on the beach basking in the sun's warmth.

Afterwards, ride up sandy dunes and lush private farmlands towards the small fishing village of Ballintoy.

Enjoy lunch at a traditional Irish tearoom or a local pub.

Historically, Ballintoy Harbor was mainly associated with salmon fishing. Game of Thrones fans may recognize the harbor as the setting for the Iron Islands and Lordsport in the Isle of Pyke. Like most places along the north coast, the views from here are spectacular and offer some amazing photo opportunities.

The final destination of today's journey is one of Northern Ireland's most popular tourist attractions:

Carrick-a-Rede Rope Bridge. From fields over Carrick-A-Rede, enjoy spectacular vistas from high above
the Atlantic Ocean - from Rathlin Island to the Mull of Kintyre in Scotland!
